LENORA COLLEGE OF ENGINEERING
Rampachodavaram, Nr. Rajahmundry, E.G. Dt.

GENESIS

The Churches of Christ Rampachodavaram is a Christian Voluntary Organisation established in the Year 1972, but registered in 1981. Since its inception, the society has been striving for the all round betterment of the downtrodden people. The Society is committed to its aims and objectives to work for the upliftment of the downtrodden by way of establishing Educational Institutions, Orphanages and window homes besides educational institutions etc. The Society is renowned for its Social Services in the Rural area of Rampachodavaram. The one great event in the realm of ideas of this society is to establish number of Educational Institutions to cater to the needy people. The Blessings of the Elders Mr. Joe Lynn, Mr. Hugh D. Clark, Mr. Hugh Wayne Clark, and Terry Jones and Mr. Alvin Allen, Whilette Church of Christ, Tennessee, USA and the Prayerful support of Evangelists Mr. Mark N Hicks (Late), Mr. William F. Dudley and Mr. Jack Honeycutt.

ABOUT LENORA : Sister Lenora Bill Dudley, a faithful lady at Willette Church of Christ named to this college. She worked for many capacities in USA. She acquainted with Bro. Ratnam through her husband, retired from military, worked as a co-ordinator of India Mission work. He made 16 trips to India. Now they retired and serving as an examples to many in the church. She had never been in India but she won the hearts of Indian brothers and sisters with her affection and love especially Bro. Ratnam and Smt. B. Subha Lakshmi Ratnam.

CHURCH BUILDING AT RAMPACHODAVARAM :

Church building of churches of Christ at Rampachodavaram one of the biggest among churches in India, having 2000 seating capacity. It is a huge construction with 120ft. X 46 ft X 40ft. dimension with balcony. The structure stands as an example in the agency to spread the word of God. The foundation stone laid by Mr. William F. Dudley, U.S.A, on January 12, 1992. Mark Hicks memorial library was opened on January 19, 1995 by Mr. Hugh

Wayne Clark U.S.A Grand opening of the house of God by Mr. Joe Lynn U.S.A on January 26, 1997, Church auditorium and Berean Bible College declared open for the glory of the Almighty God by Mr. Gene Carter U.S.A, Mr. Tim Smith (U.S.A) and Mr. Hugh Wayne Clark U.S.A on January 19, 1995. Originally the Church of Christ was started by Bro. Ratnam in 1962. The present Church as it stands today reflects the sacrifices of Bro. Ratnam and his team, who conducts worship sessions in the church.

Dr. Barre Ratnam, founder chairman of this college, is an eminent man of God, well known preacher in India and abroad. He is a distinguished educationist and has been conferred a number of awards like "Man of the year" "Gem of India 2001" "Arch of Excellence in Education" (Gold Medal) "Outstanding Citizen of India" "Hind Gaurav Award 2001" "Rashtriya Shriromani Award 2001" "Pride of India 2002" "Great Son of the Soil Award 2002" and International Award at Bangkok by Global Economic Council New Delhi for his excellent service. He has also established over 4000 Churches besides Orphanages, widow Homes and many Social service activities understanding the service motivation of the Organisation.

As a part of the Management and wise and dynamic son of the great father D.B. John Ratnam, Correspondent and recipient of "Man of the Year 2003" (A.P. State) for his excellent service in the field of Education is the chief architect of these Educational Institutions. This state of art Educational Institutions are the brainchild of Dr. B. John Ratnam of the college houses and the complete infrastructure with the help of these amenities students have participated in national level seminars, college conferences, Workshops, etc., and have presented various technical papers at different platforms. They have accommodated themselves in reputable institutions with the knowledge acquired from this Institutions.

Prof. B. R. Sarath Kumar, B.E (Civil) M, Tech (CST), C. Engr (I), MIE, MISTE, Ph.D., served in state government and Engineering colleges during his career of 18 years. Now, he has taken charge of this reputed institution and is shaping it on sound lines. He is the recipient of several awards. His main areas of Professional interests include artificial intelligence, web technologies, nano technology, Software engineering, Network Security. He has authored several technical papers in National and International Conferences and Journals. He is a member of several professional societies like IEEE, ACM, Indian Science Congress Computer Society of India etc.
